

MEET US AT
EMC ZURICH 2009

SEMCAD X Workshop

SEMCAD X Computational (R)evolution
3D Full Wave Simulation for EMC Applications

Meeting requirement of today's EMC design and certification is a highly complex process.

State of the art electromagnetic simulation with SEMCAD X helps to understand and meet these requirements, delivering the inside.

Join us for an exciting workshop.

Date & Time: 14.01.2009, 14:30 - 17:00

Venue: ETH Zurich

Schmid & Partner Engineering AG

Zurich, Switzerland
